Ad Text Obama once again betrays America.

Reports indicate that he has just put forth a \$1.3 billion budget proposal, to be distributed among 75,000 minors that are expected to cross into the United States this year from Central America.

That breaks down to about \$17,613 a child—an amount that is significantly higher than what the government gives to Social Security Retirees. According to a report from the Center for Immigration Studies, the average annual SSA retirement benefit for legal citizens is roughly \$14,772.

As if that weren't enough, the proposal also demands another \$2.1 billion for refugees.

This just says it all. Again and again he ignores the needs of American citizens, but has no problem taking their hard earned money just give it to people who deserve it the least. I guess Veterans don't need a better social security.

Thank you Obama for betraying America.
